

Cutting #7 Dan, Gabe, & Natalie

DAN

I'm the one who loved you, the one who stayed and watched as you walked away. I'm the one who waited and now you act like you don't give a damn, like you never knew who I am.

GABE

I'm the one who knows you, who you fear but I have always been here. I'm the one who'll hear you and I know you told her that I'm not worth a damn but at least I know you know who I am.

DAN

No

GABE

I know you know who I am!

DAN

Can't you just leave me alone?

GABE

Just say who I am.

DAN

Why didn't you go with her? Just let me go....

GABE

Because I'm holding on and won't go till you say who I am.

DAN

I'm the one who held you and watched while you died. I loved you and tried to pretend that I don't give a damn.....

GABE

So you know you I am...

DAN

Yes Gabe, Gabriel...

GABE

Hi, dad.

NATALIE

Dad? What the hell? What are the lights off? Where's Mom?

DAN

She's, uh, she's.....

NATALIE

Gone

DAN

Yes

NATALIE

Okay
