

(Orcus, Faerie)

## Cutting #3

**ORCUS** Aw, look at the little forest Faerie! Hello, little Faerie, how are you?

(Faerie hits Orcus) Ow!

**FAERIE** Look, you overgrown sack of stupid, just cause I'm pretty doesn't mean I won't fuck you the fuck up! Seriously, did you see a sign on the way in here that said "Petting Zoo"

**ORCUS** No!

**FAERIE** Then please do not try to touch me!

**ORCUS** I don't think I like that Faerie.

**FAERIE** Now get out of my magically enchanted forest before I decide to go all Faerie berzerker all over your ugly asses.

**ORCUS** Hey, I thought fairies were supposed to be nice.

**FAERIE** Nice? Yo, do I sound Canadian to you? Ain't no one here gonna be nice all the damn time. Faeries are happy. HAP-PY. No one said nice. And I'm brimming like mad with some magical happiness. And guess what makes me happiest? Kicking the crap out of any lame-ass adventurers who decide to trespass on my magically enchanted forest!
