

Lizzie Audition Cutting Measure 170- end

ALICE: "Her sister turned and said, "What are you going to do?"

EMMA: "I swear that I didn't say it. The reason that I didn't say so is because I didn't say so."

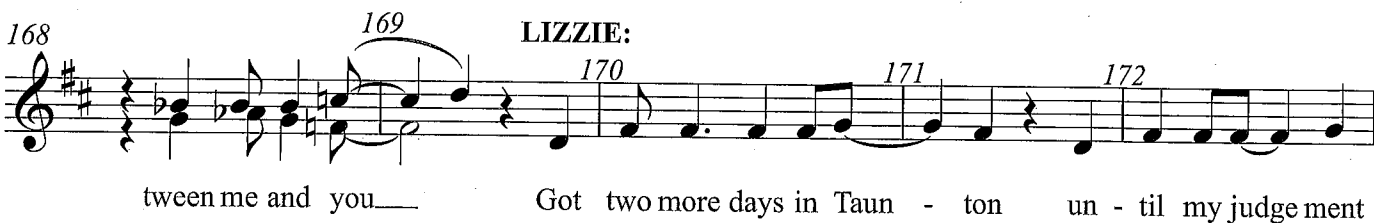

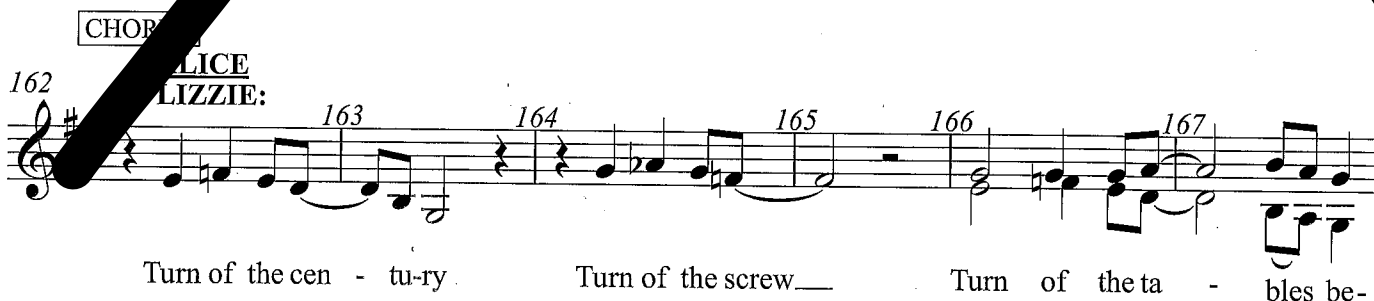

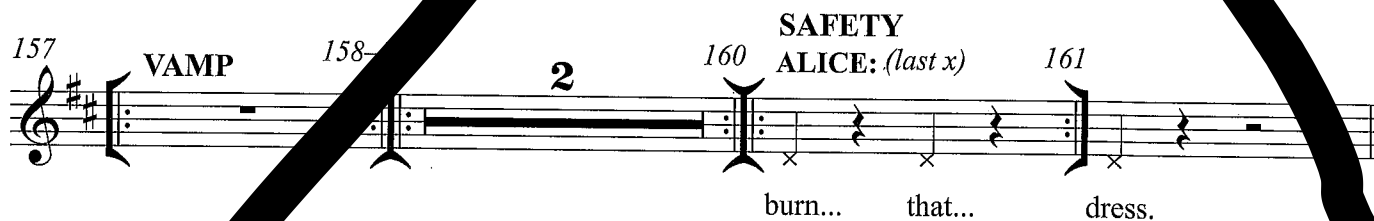

ALICE: "And Lizzie said, "I am going to burn that old thing up."

EMMA: "There was nothing of that kind."

ALICE: "it is covered with—"

EMMA: "Paint. It was soiled. Just as my dress would get soiled. And I said, "Why don't you? something like that. I can't tell the exact words."

ALICE: "I am quite sure I left the room, and I told the officer that I saw Miss Lizzie Borden burn that dress."
